*Experience History: Interpreting America’s Past*
IMPACT Social Studies gathers everything you need in one easy-to-use Online Teacher Center. Easily manage and organize your classroom, and create engaging lessons, presentations, and assignments. The Online Student Center provides students with access to interactive content, which leads to greater understanding and connection.

For the Teacher:
• Lesson plans and materials come ready-to-go to save you time, or can be easily customized.
• Differentiation strategies and superior ELA and EL resources support you to reach every learner.
• Assessments can be assigned with a simple click and provide students with a dynamic SBAC and PARCC-like experience. Assessments can be edited, added to or items removed for a true personalized assessment. Reports help you track individual student and class progress toward mastery.
• Outside content and resources can easily be added to the experience.
• Professional development videos support instruction and best practices.

For the Students:
• Interactive timelines and maps anchor students in the time and place of the narrative and provide global perspectives.
• Relevant videos deliver dynamic commentary to enrich the learning experience.
• Interactive Word Play activities develop vocabulary and help all students access content.
• The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.
Complete Print and Digital Fidelity

Digital resources invite students to explore new people, places and ideas and to engage with content, enhance students’ critical thinking skills, and inspire students to learn more.

These resources include:
- eBooks that can be accessed anywhere, anytime
- ePresentations to extend learning
- Interactive IMPACT to make content come alive and fun for students

Engage
- Introduce content vocabulary with Explore Words
- Share a Chapter or Lesson video to spark interest
- Start students on their inquiry journey

Investigate
- Display content for whole class instruction
- Access all student materials digitally
- Stay up to date with the current events site, IMPACT News

Report and Take Action
- Encourage students to make an IMPACT in their own communities with Connections in Action
- Assign Word Play activities for student to demonstrate their understanding of chapter vocabulary
- Interactively report findings and cite evidence from investigations
Blended-learning with Impact
Enhance instruction with the right mix of print and digital resources.

IMPACT’s digital and print resources can be used to personalize student learning according to their individual needs. Through the use of the program components, you can assess and identify student strengths and areas of growth. Meet each student where they are by providing their perfect place, path, and pace!

Work With Your Representative
With the help of our skilled custom product development team, Custom Solutions lets you build classroom texts, digital solutions, and integrated program alternatives. Get flexible, economical, and dynamic solutions to specifically work for your district school or classroom.

What Our Customers are Saying
One of my greatest needs and desires has been fulfilled by the creation of a custom-bound Louisiana Fine Arts textbook. Not only does it cover the areas of fine arts textbook. Not only does it cover the areas of fine arts—it includes the connection of the arts to our everyday lives, and extends to architecture, photography, film and television, and video art. This comprehensive book is currently being used in classrooms across our Caddo district and around Louisiana.

Henry E. Price, Supervisor of Art, Caddo Parish Public Schools, Shreveport, LA
Professional Learning Environment
Inspired, right from the start
Get instant access to resources for mastering your K–12 programs with the Professional Learning Environment (PLE). Its easy-to-use tools support professional learning and help teachers meet continuous improvement objectives.

The PLE is currently available via ConnectED for the following programs:

QuickStart online courses are part of your program’s Professional Learning Environment. You can access them through ConnectED.
Understanding is the Foundation for Achievement
At McGraw-Hill Education, we recognize that no two students are alike, and the need for personalized solutions could not be greater. Using revolutionary adaptive technology, LearnSmart® builds a learning experience unique to each student’s individual needs.

LearnSmart® with Networks™, gives students an advantage. Research proves LearnSmart® improves learning outcomes by ensuring every minute a student spends studying is the most productive minute possible.

Give Students What they Need, When they Need it.

- LearnSmart® determines precisely which learning objectives a student has grasped and those with which he/she struggles.
- The Social Studies are made up of more than just facts and dates, LearnSmart® makes social studies content accessible to students by providing personalized instruction, practice, and context necessary to build meaning. The program also suggests different ways to access content or review materials when needed, all based on the individual student’s personal performance and knowledge indicators.
- Interactive Word Play activities develop vocabulary and help all students access content.
- The student eBook provides students with tools to highlight, annotate, and closely read historical narratives and primary sources.

Effectiv study time
Smartbook® is an adaptive ebook that utilizes LearnSmart® technology to guide students through reading making every minute a student studies as productive as possible.

Engage students with a personalized reading experience
Every student experiences SmartBook® differently. The interactive challenge format highlights content and helps each student identify content they know, don’t know, and are most likely to forget.

Easy-to-use so students retain what they learned
When LearnSmart® detects content a student is most likely to forget, the student is presented the content for review to improve knowledge retention.

Efficien reporting tools pinpoint learning gaps
Students study more efficiently because they are aware of content they know and don’t know. Instructor reports identify at-risk students and highlight concepts the class as whole struggles to master.
McGraw-Hill Networks™ meets you where you are in your use of classroom technology—and it takes you wherever you need to go on the digital spectrum. Whether your school relies on digital instruction, print instruction, or a combination of both, Networks™ provides a seamless educational experience for you and your students.

Human Geography seeks to introduce students to the scope and excitement of geography. Students develop an awareness of geography’s relevance to their daily lives and their role as informed citizens. An ideal choice for an AP course, the coverage conveys the richness and breadth of the subject matter and provides insight into the nature and intellectual challenges of the field of study.

This new AP edition includes:

- Full alignment to the AP framework
- Chapter opener correlations to AP Learning Objectives
- AP Key Terms highlighted at point of use
- End of chapter AP questions and AP-focused review
- Free response questions that assess students’ grasp of concepts and skills
- Digital diagnostic assessment, skill and unit reviews, practice exams, and writing exemplars with feedback for students at different points of content mastery
The Unfinished Nation: A Concise History of the American People

Best-selling concise text for AP U.S. History

The Unfinished Nation: A Concise History of the American People is known for its clear narrative voice and impeccable scholarship. An excellent choice for Honors or AP United States History, this best-selling, concise text by Alan Brinkley invites students to think critically about the many forces that continually create the unfinished nation that is the United States.

New to the 9th Edition:
- New scholarship of experiences and perspectives of Native Americans, African Americans, and women throughout American history.
- Integrated coverage of global events covering the first half of the 20th century
- Greater clarification on topics with which students typically struggle
The first AP adaptation of the best-selling college text now in its 9th edition, this narrative is told from multiple perspectives and highlights how diverse actors have been at the center of US history. Students are led to a richer engagement with and a deeper understanding of how history is created. Focusing on the lives and actions of ordinary Americans helps students to understand that no event is inevitable, and that the actions of the people create historical moments. Students see themselves as stakeholders in an ongoing historical narrative, rather than passive recipients of a historical legacy that has little to do with their individual lives.

A First-of-its-Kind for Today’s AP Classroom with:

- Full alignment to the College Board framework for AP US History.
- Complete coverage of key concepts, disciplinary practices, and reasoning skills.
- A wealth of AP practice, focused review, and document-based questions integrated throughout.
- Critical Thinking features that focus on primary and secondary sources from different eras specifically developed with AP exam rubrics in mind.
- After the Fact, which visually flags key text and images to support the effective use of evidence in constructing a historical argument.
- Robust, adaptive teacher and student resources in the AP advantage.
- A printed Teacher’s Manual.
Traditions & Encounters, updated AP edition text and supplemental materials have been revised to support teachers and students as they transition into the new AP World History course and exam. The AP Supplements that have been updated for the course redesign include:

- Unparalleled AP Test Banks that contain stimulus-based multiple choice, short answer, long essay, and document-based questions.
- AP Teacher Manual that includes chapter assessment answers, AP History Practices and Reasoning Skills, thematic topics, historical terms, and a pacing guide.
- AP Primary Source Library, featuring maps, primary texts and historical arguments.
- AP Edition eBook and a Smartbook™ adaptive reading experience.
